Dear Giulia:

I am writing to you because I would like to apply for the Front-End Software Developer at Lobelia Earth I am a Junior Software Developer eager to learn. I have experience using HTML, CSS3, Javascript, ReactJS and Python languages in projects I have been working on, they are available to see on my [portfolio](#).

My varied job experiences have accomplished me with a well-rounded skill set including first-rate planning, the ability to adapt, deal under pressure, and the constant quest for new initiatives and methodologies. Thus, I would welcome the opportunity to contribute to the ongoing success of your company.

Please review my attached CV for additional details regarding my expertise and career achievements.

Thank you for your time and consideration.

Yours faithfully,

Elisa Munoz
